**D Dadd11 D Dadd9**

I love this place my God

**D Dadd11 D**

My heart aches my spirit groans

**D Dadd11 D Dadd9 G9/B Domit3/C# D**

With these words only you would know This is my home

Hear I've seen your face my God

And I've come to love/know the way you are

Cause with you all my cries are known This is my home (2x)

I hear instruments prophesy

Of this coming move of yours

And you've heard our prayers and cries

**G9/B**

**Domit3/C#**

And your waiting hear for me to come

**D**

Cause this is my home (2x)

### Chorus:

**G9/B Domit3/C# D**

This is my home
